MARION, VIRGINIA
MARION SENIOR HIGH
HURRICANE 1966

Time Marches On

To everything there is a season, and a time
to every purpose under the heaven.
A time to be born, and a time to die;
A time to plant, and a time to pluck up that
which is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to
gather stones together;
A time to embrace, and a time to refrain
from embracing;
A time to get, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.

Ecclesiastes 3:1–8

At Marion Senior High School, a time has been found for many things – a time to study, a time to dance, a time to act, a time to play, a time to honor, and a time to lead. We, the Hurricane Staff of 1966, sincerely hope in the years to come that you will look back on your high school years as "a time to remember."

Judy, You are a real sweet girl and a good student. Girls like you are a pleasure to teach. Congratulations on your Spanish letter. Be good and see you in Spanish II. David Henry

A Time To Look Back

A Time to Honor

"Character is revealed by the way one spends his time." We honor one who has unselfishly given her time to Marion Senior High School. She has assisted students in both curricular and extra-curricular activities. Her pleasant smile and witty personality have brightened many days for those who come in contact with her. We, the Hurricane Staff of 1966, express our gratitude and deep appreciation to our friend and teacher, Mrs. Wilma Overbey.

A Time to Supervise

Seated: I. Laton Choate, Smyth County School Board of Education; J. Leonard Mauck, Superintendent of Smyth County Schools; Francis S. Copenhaver, Smyth County School Board; and William P. Buchanan, Smyth County School Board. *Standing:* Miss Carolyn Sheffey, visiting teacher; Mrs. Joyce Cornett, Clerk of the School Board; Mrs. Helen H. Rosenbaum, Secretary; Mrs. Brenda C. Brooks, Secretary; and Mr. E. R. Thompson, District Instruction.

Diligently striving to provide adequate educational facilities, the Smyth County Schools' administrative staff attend meetings, and conventions studying new techniques in school administration and organization.

The busy administrative staff concern themselves with a wide variety of duties in their efforts to assist the students. From co-ordinating schedules to planning assembly programs, from counseling to publishing the daily bulletin, the staff always make time for the individual.

Front Row: Mr. Fred D. McDonald, Assistant Principal; Mr. Howard W. Williams, Principal; Mr. Harlan Pafford, Guidance Counselor. *Second Row:* Mrs. Kathryn Williams, Secretary; Mrs. Sally Werth, Bookkeeper; Mrs. Wilma Overbey, Typist.

A Time . . .

Mr. Howard Williams.

Beginning his day at 8 o'clock each weekday morning, Mr. Howard Williams must assume many roles as he performs his duties as principal of M.S.H.S. In his constant struggle to improve our school he is at various times throughout the day a public relations man, an administrator, a disciplinarian, an advisor and friend to the students. His duties take him out of the school on occasion as he attends civic meetings, seminars, and is constantly promoting better relationships and understanding of our school and our problems.

Come sunshine or snow, school goes on.

Arriving early to a busy day at school.

Still working into the evening hours.

Students present many problems before the school day begins.

. . . to lead

The Sca Council and the student body have been drawn into a closer working relationship through the efforts of our SCA President, Jimmy Webster. Devoting a great deal of time to the immediate problems facing the student body, Jimmy was able to initiate the new honor system, the first revision of the student handbook since 1958, and for the first time we participated in the District SCA Exchange Program.

Jimmy Webster.

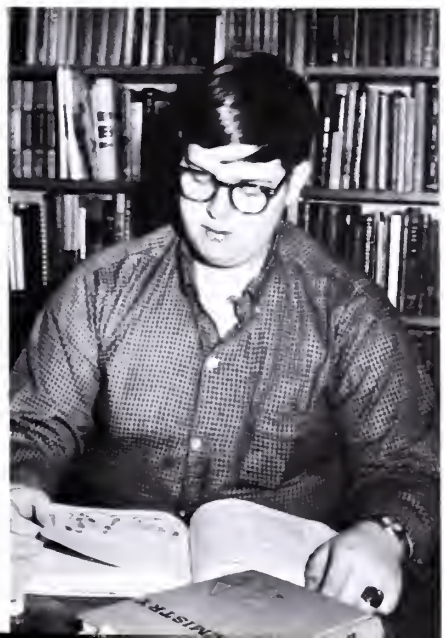

Calling the weekly assembly to order.

Jimmy seeks counsel from his advisor Mrs. Jane Waters.

Jimmy finds time for study in his busy schedule.

Jimmy consults with one of his committees.

A Time to Serve

Bus Drivers—Mr. Cale, Mr. Watson, Mr. Funk, Mr. Sampson, Mr. Patton, Mr. Blankenbeckler, Mr. Hutton, Mr. Odham, Mr. Freeman, Mr. Hall, Mr. Foster.

The bus drivers serve our school by transporting around 400 students to and from school each day. Some of our drivers are available at any time to transport students for athletic, social, cultural, and academic activities.

Mr. Bob Wymer, head custodian, and his assistants, Kenneth McIntyre, and Ken Sheets.

The custodians are constantly working to keep our building and grounds neat, and are subject to call for the various tasks and events which take place around our school.

Surrounded by the pleasant and friendly atmosphere of the cafeteria, students enjoy wholesome meals planned by Mrs. Clawson and prepared by her assistants.

Mrs. Adams, Mrs. Pugh, Mrs. Barton, and Mrs. Hart serve the meals.

Mrs. Clawson manages the finances.

A Time To Remember

Class of '66

Richard Moore, better known as Dickey, Senior Class President, provided the able and efficient leadership that made the senior projects so successful. The class served at banquets, sold Christmas cards, and sponsored an assembly. Dickey helped plan the senior trip to Washington and worked diligently to insure its success. As an athlete, scholar, and friend, he helped to make the senior year a time to remember.

A Time To Learn

Miss Medley's English II class are beginning a study of ballads.

English and

Mr. Winters points out Milton's conception of the universe.

English II is taught by Miss Medley and Miss McCoy. Some of the important aspects in the English II classes have been the reading, interpretation, and presentation of the Shakespearean tragedy *Julius Caesar,* the acquisition of the fundamentals of grammar, and monthly book reviews that represent outside reading. They have also devoted time to developing writing and public speaking skills.

English III is taught by Mrs. Wilson and Miss Ostdahl. This year they have been concentrating on the continual sequence of American literature, studying thoroughly such authors as Twain, Poe, Hawthorne, Whitman, and Frost. The study of grammar has been continued throughout the year, through the writing of themes.

English IV taught by Mrs. Courtney and Mr. Winters attempts to prepare the general and business students for their careers and college-bound students for their future education. The senior English course is based on a correlation of composition and grammar with English literature.

James VanHoy gives an oral report.

Miss McCoy's English II class reads Shakespeare.

Journalism

The Journalism class is preparing copies of the MARIONETTE to be mailed.

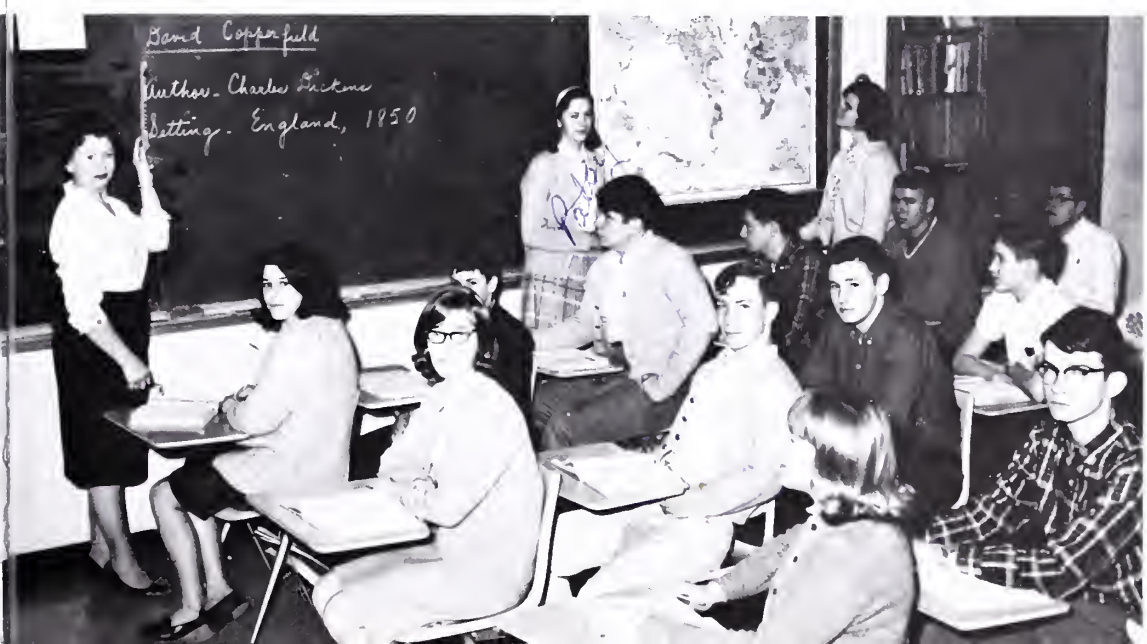

The Journalism class, taught by Mrs. Wilson, began the year with a study of the early history of the Journalism field. An important part of the work done by the class was writing headlines, proofreading, and putting the MARIONETTE together. They also put out their own paper called the ETTENOIRAM as an April Fool paper for the students of M.S.H.S.

The ninth grade English course includes the study of literature and grammar with special emphasis on developing the skills of reading, writing, listening, and speaking. Recognizing that English is a key to knowledge, and part of the personality one presents to the world, it is imperative that ninth grade English provides a strong foundation in order for the student to make satisfactory progress in ensuing years.

Chalk talk, English style.

Mrs. Courtney's English I class studies Charles Dickens.

Some Spanish students are practicing a dialogue.

Foreign Languages

Patsy Pruitt listens to a Spanish recording.

Spanish I and II students, under the supervision of Mr. Henry, have been reading a Spanish magazine to supplement the regular textbook this year. An understanding of the Spanish-speaking life and customs is gained through the magazine. New equipment in the form of a tape recorder, tapes, and records have been added to the Foreign Language Department.

Latin I and II is taught by Miss Neff. Term papers and special reports on Roman civilization, in addition to parallel reading, have contributed to an informative class. The class participates in such special projects as Latin plays and an essay contest.

Several students look on as Carol Dillard and Judy Burkett show a map of the Roman Empire.

Miss Neff watches as Latin students work on their translations.

Mrs. Linkous helps her students with printing.

Fine Arts

Miss Carter taught Music Appreciation class and directed the chorus. The chorus gave several school programs and participated in the District VII All-Regional Chorus. The Music Appreciation class studied the history of music and the different periods of music. They studied the life of many composers and their different styles of writing. The students also listened to recordings of compositions which have been very helpful in their studies.

The Art classes are set up on three-year levels. As a student progresses from year to year, he learns more difficult techniques. Creativity and originality are stressed. Students enter local, state, and national competition. Each student put on a "one man show" on a bulletin board. Mrs. Linkous plans to explore the possibility of having student art assistants.

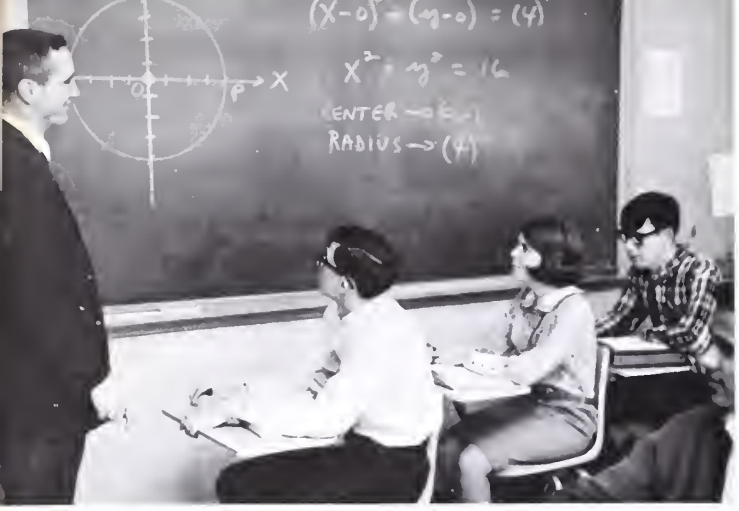

These are the prize-winning art displays from the Junior Woman's Club Art Show.

Pat Bottemly is being measured for her choir robe as several members of the chorus watch.

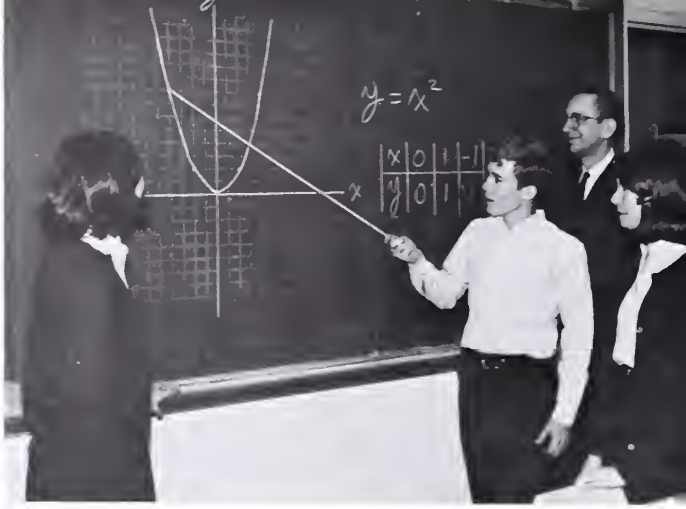

Miss Carter is putting on a record for her Music Appreciation class to hear.

Mr. Earp gives an example of a graph of a circle.

Charles Kirby explains a graph.

Academic Math

Mr. Earp illustrates the principles of a sphere.

The Academic Math courses offered are Algebra I, taught by Mr. Pafford and Mr. Fisher; Geometry, taught by Mrs. Werth and Mr. Earp; Algebra II and Trigonometry, taught by Mr. Earp; Advanced Algebra and Trigonometry, taught by Miss Compton and Mrs. Werth; and Math Analysis, taught by Mr. Pafford.

Algebra I gives each student an understanding of the basic functions and structures of Algebra. Geometry includes a study of plane and solid figures. Students learn to solve problems using these figures. Algebra and Trigonometry concentrate on more theory and on the principles learned in Algebra I. Advanced Algebra and Trigonometry is a more detailed part of Algebra and Trigonometry.

In Math Analysis the student gets a review of elementary number theory and trigonometry. Probability, statistics, analysis, geometry, and calculus are also studied.

Included in the Math Department is a math library from which students may check out books covering all branches of mathematics.

Something funny happened in Advanced Algebra and Trigonometry class.

Mr. Pafford helps his math students plot their graphs in calculus.

Mrs. Irvin observes Emma Hall's work in Record Keeping.

Mr. Earp explains a problem to his Business Math students.

Commercial Math

Terminal Math, taught by Mr. McDonald, is planned for those students in the junior and senior years of the commercial and general courses, who need more knowledge in the fundamentals of mathematics and in the everyday applications. The units studied include Statistics, Better Buymanship, Using Consumer Credit, the Family Budget, Taxes, and Measurements.

Record Keeping, taught by Mrs. Irvin, teaches various personal and vocational business activities. Students solve problems concerning banking, petty cash, budgets, sales, purchasing, and payroll.

Bookkeeping is offered as an introductory course in the field of accounting. The students learn the double-entry system of record business transactions. A special project of the class is the completion of a "practice set" which actually resembles everyday business procedures followed in most offices.

The Business Math class is organized so that the beginning units develop the principles and operations through a study of problems faced by every individual in his daily life. Mr. Cox and Mr. Earp teach Business Math.

Terminal Math students work on problems in measurements.

Bookkeeping students work on their practice sets.

Mr. Vicars watches several students work on a car.

Two General Mechanics students grease some tractor parts as Mr. Waddle watches.

Vocational Courses

Shop students are working with wood.

General Shop students, taught by Mr. Vicars, learn to use manual and power tools. Each student worked on an individual project of his choosing, and the entire class built a ticket cable for the gym.

The Power Mechanics class learn how the automobile works. The new equipment added this year was engine test equipment and auto chassis. The class is taught by Mr. Vicars.

The Mechanical Drawing class, taught by Mr. Vicars, learned how to use draftsmen's tools. Each student had to complete a required number of drawings.

Agriculture students learn the practical application of what they are taught through pine seeding and forming a livestock judging team. It is taught by Mr. Robinson and Mr. Waddle.

The Agriculture class studies farming methods.

Mechanical Drawing students practice with their drawing tools.

Linda Perkins serves a meal prepared by Home Economics students.

Vocational Courses

There are five home economics classes taught daily by Miss Meinhold. Units of instruction include not only food preparation and clothing construction, but also, child care, home nursing, looking towards marriage, and home furnishings. In addition to classroom work, girls gain practical experience when they assist the homemaking teacher with planning and serving refreshments for the Homecoming and Valentine Dances and other school activities.

Distributive Education taught by Mr. Wall correlates classroom instruction and work experience. They study such subjects as development of personality, courteousness, honesty, and any other personal characteristics necessary to meeting and dealing with other people. They work on artistic displays of goods, how to meet the public, and how to succeed in the business world.

Several Home Economics students discuss interior decoration.

Distributive Education students work on a handbook.

Billy Funk receives on-the-job training in Distributive Education.

Byron Shankman demonstrates the Vandergraff generator to Physics class.

Science

Biology I, taught by Mrs. Winters and Mrs. Waters, includes dissections of several animals to illustrate the study of anatomy and physiology. A wild flower collection and a science project is required of each student.

Biology II is designed for students interested in some phase of biology for college preparation of pre-professional education. Mrs. Waters bases the laboratory investigations on the molecular approach to biology.

Chemistry, taught by Mr. Cox, is the science dealing with the study of the composition of materials, their structure, chemical and physical properties, and uses. It consists mainly of lectures and reading supplemented by experiments which give students an understanding of this field.

Physics satisfies the curiosity of students about the phenomenon of the physical world and has practical value for everyone. Topics studied include force and motion, machines and work, heat, power and energy, electricity and magnetism, sound, light and radiation. Physics is taught by Mr. Fisher.

Mrs. Winters points out the internal organs to her students.

Mr. Cox helps Nancy Matthews with her experiment.

Johnny Farris is preparing to type Linda Combs' blood.

Business

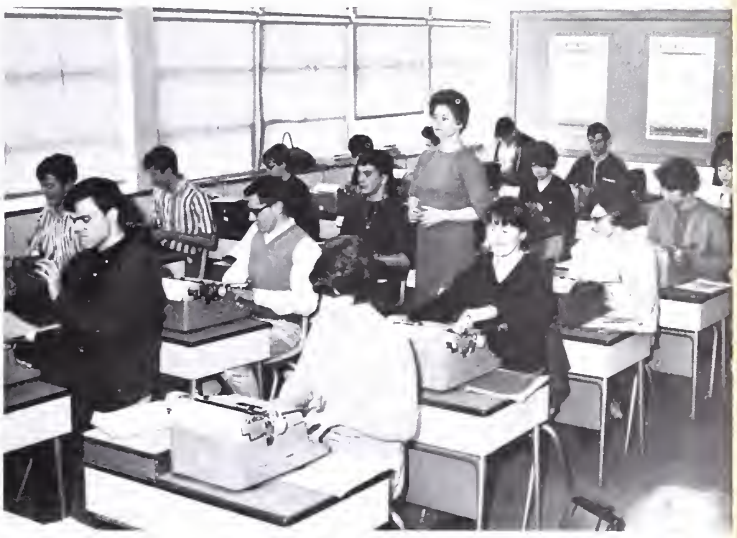

The Office Practice students practice on different machines under Mrs. Overbey's supervision.

Office Practice, taught by Mrs. Overbey, acquaints the students with business machines and office procedures generally found in business offices. Adding machines, rotary calculators, electric typewriters, dictating and transcribing machines, duplicating and mimeographing machines, and practice sets in filing are some of the instructional media used.

In Typing I the students are taught the basic techniques for personal and office style typing. Competitive drills and problem work are used to "spur" the students to a minimum of 30 words per minute. In Typing II the minimum speed requirement is 50 words per minute. Typing is taught by Miss Wolfenden, Mrs. Overbey, and Mrs. Irvin.

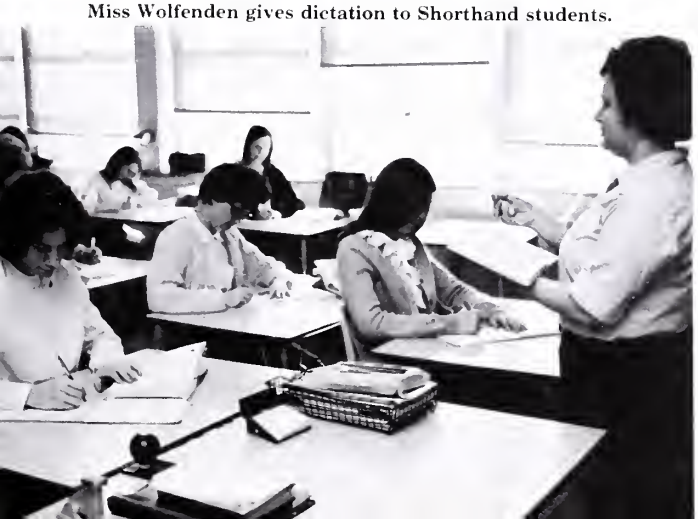

Shorthand I deals with the basic alphabet and word families of shorthand. First year students may range in speed from 60 to 120 words per minute, based on 5 minute dictations. During second year, students learn to make mailable transcripts. Shorthand students are prepared for stenographic positions by Miss Wolfenden.

General Business, taught by Mrs. Werth, gives students an understanding of the business world through a study of banking, insurance, credit, transportation, and communication.

The Typing students take a time writing.

Miss Wolfenden gives dictation to Shorthand students.

Susan Glass and James Testerman work on transportation in General Business.

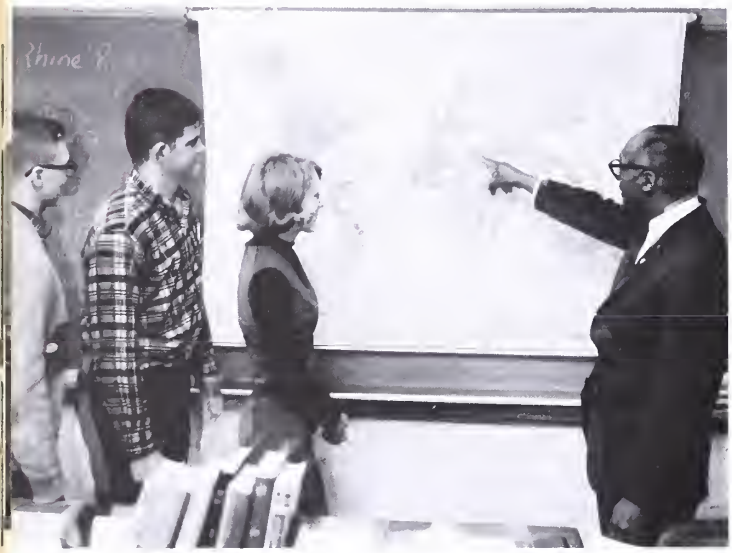

Mr. Harkins points out a chart showing the economic growth of the nation.

Charlotte Thompson explains the medieval economic system of manoralism.

Social Studies

Mr. Dabney locates the country his World Geography is studying.

The Social Studies form an important part of our school curriculum. Three units are required for graduation, one in American History, one in Government, and one in either World Geography or World History.

Through each of the Social Studies subjects the students become aware of the world around them. American History, taught by Mr. Estep, Miss Neff, Miss Ostdahl, and Mrs. Echols, takes the student into our heritage in order to understand the present. In World History, Mr. Estep stresses the effect of cultures, major world movements, and world rivalries on the world today. In World Geography Mr. Dabney places emphasis on natural resources of the United States, and the land and peoples of other countries. Effort is made in Government, by Mr. Harkins and Mr. Estep, for an understanding of local, state, and federal governments with special emphasis on individual citizenship. Through Economics, added to the curriculum this year, Mr. Harkins has aroused much interest in the effect of basic economic principles on our daily lives.

Government students work on their term papers with Mr. Harkin's help.

Mrs. Echols helps several students check out books for required reading.

The Physical Education girls enjoy playing crab ball.

Physical Education

Students are required to take Physical Education their freshmen and sophomore years. In their sophomore year the boys and girls study Mental Health. Driver's Education is studied in their freshmen year.

The boys participated in the following sports during the year: football, basketball, volleyball, wrestling, bowling, handball, softball, track, golf, and archery. The girls played hockey, volleyball, battleball, handball, shuffle board, archery, badminton, and softball.

Physical fitness tests are given twice during the year to show the progress of each student.

Carol Bates and Donna McFarlane learn how to play shuffle board.

Freddie Blevins and Mike Wymer practice their weight lifting while the rest of the class plays volleyball.

A Time To Relax

Miss Marion Senior High Beauty Pageant

Beauties of Marion Senior High School.

Mr. Estep, master of ceremonies, with our lovely queen.

Judi Phillips, Miss MSHS of 1964, crowns Sue Winesett.

The third annual Miss Marion Senior High Beauty Pageant was held on September 11, 1965. This pageant, sponsored by the SCA, was held to choose a Queen and Court to represent Marion Senior High in area beauty pageants. Forty-nine lovely girls participated in the event. They represented various school organizations and classes.

Queen Sue Winesett and her court, Mary Mauck, Carol Bates, Lynn Graybeal.

Homecoming Queen and Court

The Homecoming Queen and court were chosen by the student body to reign over the Homecoming activities. The Queen, Claudine Blevins, was crowned at the half time activities on October 22, attended by a court of three seniors and two juniors.

Rita Helton crowns Claudine Blevins.

Homecoming Queen Claudine Blevins.

Crowned by Rita Helton, Queen Claudine Blevins and her court: Brenda Bales, Judie Eller, Patsy Moore, and Virginia Forrest.

Homecoming

Mr. Hurricane seems to be enjoying the game.

Homecoming Activities began on Thursday night, October 21, with the Marion Monsters Variety Show presented by the MSHS students and faculty. Master of ceremonies for the evening was Mr. John Ashbury. Following the show, the cheerleaders built up pep at the blazing bonfire. Friday during assembly the Red Eye Report was given by the Senior cheerleaders. Friday afternoon the annual Homecoming parade entertained the crowd. Following this parade was the thrilling game between Patrick Henry and Marion. The big red eyes charged through with a victory of 19–0 over Patrick Henry. During the half time activities Claudine Blevins was crowned queen. The Homecoming Dance Saturday night brought the fun-filled weekend to a climax.

Senior Play

The Senior Class of Marion Senior High School presented a three act satire on the old West entitled "Desperate Ambrose," Friday, April 15. The story began when Ambrose Groves and Bert Miller, a couple of would-be comedians, were crossing the desert on their way to California. They were mistaken to be Homer the Kid and Gun Smoke Carter, the most hard-shootin'-cow-pokes in the West. The fun began when Ambrose got everything in the most devastating of devastating messes. "Desperate Ambrose" was one of the funniest rodeos of fun ever witnessed. The play was directed by Mr. Robert Estep, Mrs. Sally Werth, and student director, Pat Guy.

A Time To Play

Varsity Football

Front Row: Justin Terry, Robert Young, Scrapper Broady, Joe Snavely, Johnny Crowder; Junior Wolfe, Byron Shankman – Co-Captains; James Romans, Mike Guy, Lynn Sayers. *Second Row:* Richard Hutton, Dale Heath, John Rowland, Billy Sayers, Dickie Moore, Mal Brown, Mark Durst, David Archer, Robert Sparger, Ronnie Testerman, Jerry Barr. *Third Row:* Martin Lee, Randy Snavely, John Morris, Tommy Thompson, Elmer Farmer, Duane Hayes, Mike Shankman, Mike Barker, Bobby Hash, Don Murray, Steve Tilson, Dewey Snavely. *Fourth Row:* Coach Moe Weaver; Claude Perkins, John Nelson, Ernie Weaver, Managers; Coach Bill Earp.

Marion 6 – Chilhowie 0

The Scarlet Hurricane opened the 1965 season by gaining a hard earned victory over the Chilhowie Warriors. The Marion score came on a 45-yard pass-run play from Johnny Crowder to Scrapper Broady.

Marion 7 – Abingdon 0

The "red eye" defense was hard at work again as it held the Falcons to 48 yards of rushing. Johnny Crowder scored the Marion touchdown on a 15-yard run. John Rowland added the extra point.

Marion 7 – Graham 7

The Hurricane and the G-Men fought an exciting 7–7 tie at Bluefield. Marion scored the tying touchdown with only a minute and twenty-nine seconds remaining in the game. Quarterbacks Johnny Crowder and Tommy Thompson sparked the effort for the last minute touchdown.

Marion 6 – Richlands 32

The Scarlet Hurricane suffered its first defeat of the season at the hands of the Richlands Blue Tornado. Marion never posed a serious threat to the Richlands team who scored early and kept their lead.

Marion 20 – Va. High 20

In a rough offensive game, the Scarlet Hurricane and the Bearcats fought a 20–20 deadlock. Marion's scoring was done by Scrapper Broady, who scored on a 5-yard pass from Crowder and by Duane Hayes, who scored twice: Duane scored on a 1-yard run and on a pass from Crowder in the fourth period.

Marion 20 – Tazewell 7

In a game highlighted by Scrapper Broady's exciting 90-yard kickoff return, the Hurricane captured a 20–7 victory at the expense of the Tazewell Bulldogs. This was the first district win for the Hurricane and their third victory of the season.

Marion 13 – Grundy 0

In a hard fought contest at Grundy the Hurricane overpowered a favored Grundy squad with a convincing 13–0 win. Duane Hayes and Byron Shankman scored for Marion, and the Hurricane defense proved unshakable as they held the powerful Golden Wave scoreless.

Marion 19 – Patrick Henry 0

The Scarlet Hurricane celebrated its Homecoming by defeating the Patrick Henry Rebels 19–0. The Marion "red eye" defense was in top form as it picked off four Rebel passes. These interceptions, combined with Scrapper Broady's three touchdowns were more than enough to defeat Patrick Henry.

Marion 0 – John Battle 19

Caught completely unaware by a fired-up Battle team, the Hurricane was crushed by a score of 19–0 on Battle's home field!

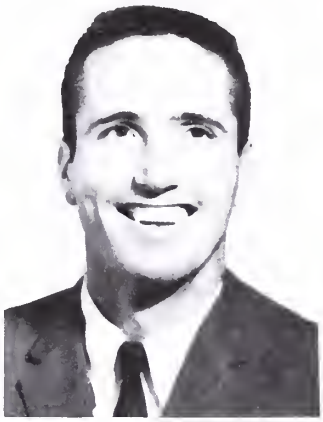

Marion 14 – Saltville 2

The Scarlet Hurricane closed out its '65 campaign with a 14–2 triumph over arch rival, Saltville. An outstanding "red eye" effort forced the Shakers to yield a fourth quarter safety to Marion. This victory gave the Marion squad a 6-2-2 record for the season.

Second Row: **Johnny Crowder, Jerry Barr, James Romans, Mark Durst, Duane Hayes, Honorable Mention All-Southwest District.**

This year something new was added to the Marion Varsity football. Coach Earp organized a tough defensive squad known as the "red eyes." The Marion "red eye" squad came through with brilliant performances in all of Marion's games in this 1965 season.

The first game, with the Chilhowie Warriors put the "red eye" team to a grueling test. After intercepting a lateral deep in Marion's territory, it was first down and goal for the Warriors. The "red eye" squad rushed in and with unyielding determination held the Warriors for four downs. Scenes like this were re-enacted all during the season proving that Marion relied heavily on their "red eye" team this year.

Scrapper Broady and Justin Terry close in for the tackle.

Touchdown! No, he dropped the ball.

J. V. Football

Front Row: Johnny Blevins, Charles Thomas, John Eller, Billy Bear, Dewey Snavely, Doug Hash, Charles Kirby, Billy Murphy, John Broady. *Second Row:* Fred Murray, Jerry Blevins, Jerry Lovett, Dewayne Steele, John Burke, David Atkins, Robert Price, Mike Wymer, Jackie McGlothlin, James Plummer. *Third Row:* George Morris, Freddy Blevins, Martin Lee, Mike Clark, Steve Tilson, Dennis Blankenbeckler, David Gentry, David Call, Bobby Hash, David Weaver. *Fourth Row:* Coach Alvin Crowder, Kenny Henderson, Darrell Schwartz, Brent Hall, Wayne Gambill, Johnny Wright, Jerry Gross, Don Leslie, Managers; Coach Bud Campbell.

This year's Junior Varsity football team, led by Coach Crowder completed their season with two wins, one loss and tying one. In the Saltville game, there was no score and only three minutes left on the clock when Marion pushed down the field and scored, winning the game 6–0, a very close and decisive game. This same kind of diligence and drive showed up in our J. V. squad all during the season.

In spite of their lack of experience, this year's basketball team showed inspiring potential and diligence throughout the entire year. Although it consisted mostly of junior players with only a few returning lettermen, Junior Wolfe, Johnny Crowder, Dale Richardson, and Richard Hutton, our boys always came through with a hard fought game. All during the season, Marion fans held their breaths and gripped their seats as the clock ticked off the final seconds of a tight game.

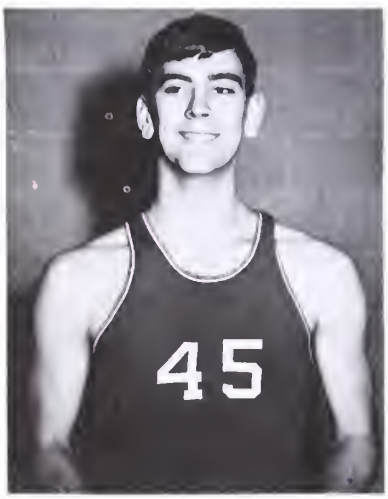

The Marion squad finished 4th in the district and ended up 4th after the tournament. This was, indeed, a very interesting basketball season, with the squad working hard and giving its best while gaining vital experience for the games to come.

This year's girls varsity basketball team posted a 5–7 record. Although seven seniors will not be back next season, prospects for next year are bright. Six girls will return to form the nucleus of the team. This season the team was led by Captains Brenda Bales and Linda Schwartz. The girls showed plenty of spirit and hustle even though they had a losing season.

Although the Girls' J. V. Basketball team did not have a winning season, nevertheless they showed plenty of potential. The top forwards were Judy Burkett, Ann Lynn Harkins, Suzanne Atkins, and Rose Obregon. Mary Callan, Delania Shupe, Joyce Carrico, and Linda Snavely were the top guards. Next year's future looks bright because of the talented and upcoming freshmen.

The defending Southwest District Champs started practice the first week in March. Pitchers and catchers began training at that time under the direction of Coach Alvin Crowder. Coach Crowder took over the job of coaching the baseball team last season and won the Southwest District Championship. He will have a tough rebuilding job this season because many of the stalwarts from last year graduated.

A week after the pitchers and catchers started working, the rest of the squad began work. Rain has forced postponement of many practices and several games. As of this date of publication, the team has a 1—2 record. They defeated Radford 2—1 in the season's opener, but they lost one game to Patrick Henry, 7—6, and one to Tennessee High, 5—2.

The 1966 track season began a rejuvenated program at MSHS. The new head coach,Walter Hite, worked the boys strenously preparing for the first meet. This year's track team was young and inexperienced but they showed their spunk by placing second out of four teams in their first meet. The team had a very poor record last season, but this year things looked brighter. A new track is being built and should be completed and ready for use next season.

The Marion High Wrestling team rolled to a 10–3 won-lost record throughout their 1965-1966 season, defeating such teams as Abingdon, Richlands, and John Battle.

The team went undefeated for their first four matches before being stopped by powerful Tazewell, 33 to 19. After winning four more matches, two of them over John Battle, they again fell to Tazewell and also to Abingdon, 22 to 19. Closing out the season, Marion beat Grundy and then ousted Saltville, 50 to 0.

Fine wrestling was contributed by Alvin Jones, winner of his division at the regional, Mal Brown, Jerry Umbarger, Roger Ratcliffe, and Clark Watson.

Coach Charles Harkins has high hopes for this season's golf team, because he has many good golfers on his squad. Senior Bill Callan and Sophomore Mark Durst form the core for this year's foursome that hopes to make a run for the Southwest District Championship. Most of these golfers are underclassmen so the future looks very bright for Coach Harkins and his golfers.

The local organization is a member of the state and national association. This year the state theme, FIRST, was adopted by the SCA. The objectives were to fulfill potential, increase communication, retain interest, stress honesty, and teach leadership, which have been emphasized in various projects such as the district exchange project with John S. Battle, the first revision of the handbook since 1958, sponsoring the homecoming weekend activities, "Miss Marion Senior High" beauty pageant, an orientation program for the freshman and new students, the Stage-O-Rama, and the introduction of a new honor code. Other notable activities have been the citizenship award, scholastic letters, cleanliness, and school spirit recognition.

Through Scholastic Scoops Marion Senior High is able to inform the surrounding area of the scholastic and extracurricular activities of the school via radio.

The staff met five days a week in order to plan the program presented every Saturday afternoon at a local radio station.

In order to promote better relations among schools, Scholastic Scoops presented a Salute-to series, honoring area schools. Every week a special committee from each school was interviewed and was able to tell about the various events and projects of their school.

Scholastic Scoops also presented a "Secret Agent" series, Agent 1010, through which they were able to inform the students and the public about current activities.

The staff spends a busy Saturday afternoon presenting the show.

The Beta Club is an organization which recognizes scholarship character and leadership at MSHS.

The club meets once a month either in school or at potluck suppers in the homes of various members.

The Beta Club's only money raising project was selling candy. With the proceeds from this project, the Beta Club donated the necessary funds to the SCA to pay for the Scholastic Letters, given in recognition for excellence in scholarship.

The club also gave a basket of food to a needy family at Thanksgiving. This year the Beta Club raised its grade requirement from a ninety average to ninety-three average. Also, the semester probation system was put into effect. This means that if a member's grade average falls below a ninety average at the end of a semester, then he is on probation until he raises it to a ninety average.

The President-elect, secretary-elect, and an elected delegate attended the State Beta Club Convention at Hotel Roanoke on March 18 and 19, with the sponsor, Mr. Winters.

The Science Club is an organization that promotes the interest of science in the fields of Chemistry, Biology, and Physics.

The Club's main project was the sponsorship of the MSHS Science Fair held on March 15. The winners of the school science fair went on to the Smyth County Science Fair held on March 18, at Marion Senior High School. The winners in the county fair then may go to the regional fair and even as far as the National Science Fair, held later in the spring.

The FHA sponsored many different activities during the year. At the beginning of school, they held a Teacher's Tea to welcome the new teachers to MSHS. At Christmas the Club held a Mother-Daughter party where they presented the mothers with hand-made gifts. They also co-sponsored the Valentine Dance in February.

To recognize outstanding members, each month they elected an FHA Girl-of-the-Month.

In order to raise money to carry on their projects, the Club sold kitchen flavoring and held bake sales.

The members are able to earn three degrees, the Junior Degree, the Chapter Degree, and the State Degree. The Club also offers the Betty Crocker Award, which was won this year by Teresa Scott.

The Club was represented by its officers at the Spring Rally held at Patrick Henry High School. Patsy Moore and Ann Slemp attended the federation meeting at John Battle High School.

The FFA installed its new officers at the club's first meeting. The annual initiation was held in September.

The club sponsored many projects this year, which included co-sponsoring the FFA-FHA Valentine Dance, holding the annual Father-Son Banquet, and conducting the radio program during FFA week. The club also sold nuts and fire extinguishers, set out pine seedlings, and constructed silage feeders in shop, to raise money for its other projects.

The club had an exhibit in the Smyth County Baby Beef Show and in the area Forestry Judging contest. Jerry Buck won the Federation Dairy Judging contest.

The Gamma Delta Tri Hi Y is a Christian service organization at Marion Senior High, which through special projects is able to create and exemplify throughout the home, school, and community, high standards of Christian living. Any girl in the junior or senior class is eligible to join, and this year there were sixty-three active members.

As school projects, the Tri Hi Y sponsored the devotions over the intercom, the blessing at the lunch periods, and the Thanksgiving Assembly. It also co-sponsored the Christmas Dance.

The club had many community service projects. A family of six was adopted at Thanksgiving, and the girls played Santa Claus to a family of thirteen at Christmas. Volunteers from the club wrapped Christmas gifts for the patients at the state hospital and solicited money for the Easter Seal campaign. Contributions were sent to CARE and devotional booklets were given to hospital patients. The club's only money-making activity was keeping the snack bar.

Delegates attended meetings at Chilhowie and Fort Chiswell, and two girls were sent to the Model General Assembly in Richmond.

The Junior Tri Hi Y is a Christian organization composed of eighty-six freshmen and sophomore girls. Through the club's various projects, each member was able to put her Christian beliefs and ideas to work in the service of others.

For community projects, each month the club attended the morning services at one of the area churches. The club donated baskets of food to needy families at Thanksgiving and Christmas. They also sponsored a Christmas party for underprivileged children at which the children were able to play games, enjoy a skit of "The Night Before Christmas," eat refreshments, and receive gifts donated by the club members.

For school projects, the Junior Tri Hi Y co-sponsored the Christmas Dance with the other three Y clubs. During the month of February, the club tried to encourage clean speech by sponsoring "Clean Speech Week." During that week they made posters and gave devotions over the intercom on the merits of clean speech. They also sponsored an essay contest with awards given to the winners of the best essay.

Delegates from the Junior Tri Hi Y attended the Blue Ridge Assembly and the Officers' Work Shop in Chilhowie. In the spring delegates were elected to go to Model General Assembly, where the President served as a page in the Senate.

The eleven members of the Library Club are to be congratulated for the tremendous service they did for our school this year. Under the guidance of our librarian, Miss Trula Fleenor, they have performed a truly remarkable job of running our library efficiently, and making information and materials readily available to students and faculty. The Library Club has completed inventory of all the materials in the library and made a list of those needed for its maintenance.

Club members also spent some of their time in making posters and bulletin boards in an attempt to reach the club's goal, "To cultivate the minds of the students with the tool of good reading."

The Spanish Club is composed of around one hundred members under the sponsorship of Mr. David Henry. Through club programs, given both in Spanish and English, the members are able to learn about the history, the customs and the daily life of our Spanish-speaking neighbors.

The club was divided into classes, which meet during the class time on Friday. With the help of records and tape recordings, the members were able to learn some of the Spanish songs, especially Christmas Carols.

The Spanish club was fortunate to be able to see movie slides of Mexico and movies of the beautiful churches and land marks of South America. Through these slides, the members viewed many phases of Mexican and South American life. The slides also showed much of the countryside of our neighbors South of the border.

Members of the Latin Club met in their classrooms twice a month this year, under the supervision of their sponsor, Miss Neff. Through reports and programs on the culture of the Greeks and Romans, the club members learned to appreciate our heritage of art, architecture, and literature from these ancient civilizations. Following the club's tradition, these reports were made in Latin illustrated by posters and drawings, with a brief English explanation.

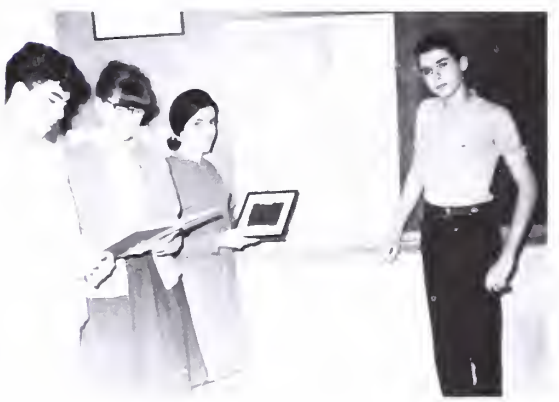

The Latin Club is a member in good standing of the Junior Classical League, and its members participated in the Latin Tournament for Southwestern Virginia at King College in the spring. They also participated in state essay contests.

In the spring the Latin Clubs combined to have the traditional Roman banquet or tea. At this social function, skits and programs were carried on exclusively in Latin, showing different aspects of Roman History.

The purpose of the Future Business Leaders of America is to establish competent young men and women in the world of business. They helped to carry out their purpose by wrapping gifts at Christmas at the Southwestern State Hospital and by buying gifts for the patients. FBLA members served refreshments at the District I Teachers Meeting in the fall of '65. The yearly project was the Dress-Right Week during which the girls dressed as they would if they were working in a business office. An award was given to the best-dressed girl or girls.

The Pep Club tried to promote more and better school spirit at MSHS through various projects. During football season, members made paper goats and footballs to be worn on Fridays to encourage team support. On Fridays they carried posters in the halls and to pep rallies to promote high school spirit. The Pep Club also decorated the stadium at every home game.

To help encourage football attendance, the Pep Club sponsored buses to all out-of-town football games.

During basketball season, the club sponsored the "Player of the Week", to honor the outstanding player in games the previous week.

The Girls' Athletic Association is a club organized for the purpose of recognizing girl athletes.

During the year the club sponsored various money raising projects. Their main project was the Basketball King and Queen, in which the Senior members of the varsity basketball teams were candidates and were elected by the student body at the cost of a penny a vote.

The GAA also held several bake sales and car washes in order to raise the money needed to buy blankets for the Senior members who have earned two letters.

A new project this year was the money raising campaign to send cards and gifts to our soldiers in Viet Nam. This was accomplished by donations from the students and interested people of the community contributed at home ball games.

The Literary and Forensic Club is open to all students who are interested in some field of literary work, such as public speaking, spelling, prose, creative writing, or dramatics. To emphasize these interests, members were able to participate in local, county, district, and state forensic meets, and were able to take part in various essay and debating contests.

The Club sponsored a literary magazine, *The Inkwell*, which is composed of student contributions in the field of poetry, essays, prose, and art.

The debate team, affiliated with the Forensic Club, was under the direction of Mr. Estep. This year the team used the national topic for high school debate. The team met once a week to debate the topic, and then offered constructive criticism to each other in order to develop skill.

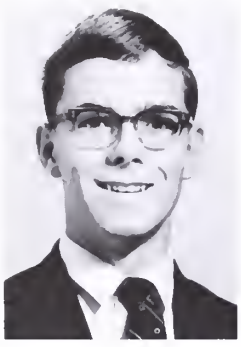

The *Inkwell* staff hurries to meet the magazine deadline.

A Time To Review

In the fall of 1961, 224 eager eighth graders entered the halls of Marion Junior High School. They were thrilled to set out on the new way of school life.

Our class was split by differing schedules in 1962. Part of the class became members of the Senior High student body as lowly freshmen. The others remained at the Junior High as high men on the "totem-pole."

We set out as one again in 1963 when our class was reunited. We had gained the position of sophomores.

Fall '64 brought with it the name of juniors for our class. It began to look as if all efforts had not been in vain. Varied activities awaited and we were anxious to get started.

We were proud of our fellow classman, Judi Phillips, when she was crowned Miss Marion Senior High School in the annual beauty pageant. Claudine Blevins and Mary Mauck represented our class on the Homecoming Court of 1964.

On December 4, after much hard work, we presented "The Doctor In Spite of Himself," a farce by Moliere.

Spring brought with it more activities. Four of our classmen retired as undefeated champions on WOLD's HIGH SCHOOL BOWL, winning $100 in prize money.

On May 1 we presented the Senior Prom, appropriately entitled "The World's Fair" in honor of the seniors' forthcoming trip to New York and the World's Fair.

Finally the long awaited day of ordering rings arrived, and we were fitted for our "status symbols."

Summer vacation came and we left school for three months of fun and sun.

August 29 arrived soon enough for us and we entered the hallowed halls for our final year.

On September 3, under the guidance of Coach Earp, our football squad defeated the Chilhowie Warriors in the first game of the season, with a score of 6–0.

Sue Winsett was crowned Miss Marion Senior High School in the beauty pageant on September 11. Members of her court included Mary Mauck, Carol Bates, and Lynn Graybeal.

As we thought of college, we talked with representatives from various colleges and business on College Career Night, September 22. Each of us began to realize that our hopes were now becoming realities.

We were elated with the arrival of our rings on September 24. We were finally wearing the long sought "status symbols."

On Thursday, October 19, we began our Homecoming activities, getting them off to a big start with the Variety Show, Marion Monsters. On Friday night the football team was victorious over the Patrick Henry Rebels with a score of 19–0. At halftime Claudine Blevins, attended by Brenda Bales, Judie Eller, Virginia Forrest and Patsy Moore, was crowned the 1965 Homecoming Queen. The Homecoming Dance, Indian Summer, capped off the celebrations.

We were fortunate in winning a total of $160 on KLASSROOM KWIZ, WDBG, Channel 7 in Roanoke. Charlotte Thompson, Billy Smith and Robert Lauridsen represented our school very well.

On Novermber 5 football season was brought to a close as our boys defeated Saltville, 14–2, in a very exciting game.

"Butter On the Bacon," a comedy, was presented by the Junior Class on November 19.

Coach Harkins' basketball team began the basketball season December 3 in a game against Abingdon. Weakened from the loss of many lettermen, we lost, 70–49, but we were determined not to let it get us down.

"Silver Bells" was the theme of our Christmas Dance held on December 11. Joie White and Danny Kilby reigned over the festivities.

December 21 we left school for an eight day vacation and the annual whirl of Christmas celebrations. However, we were faced with study and review for exams when we returned January 3.

Snow flurries mounted after exams and we missed nine days of school. Weary of sitting at home we returned to school to start a new semester.

On February 12 the Valentine Dance, "Happy Hearts," was presented. James Romans, and Anne Slemp were crowned king and queen during intermission.

Coach Weaver and his mat-men ended a very successful season in February with a 10–3 record.

A rip roaring upset over the Tazewell Bulldogs ended the basketball season. The score was 69–61. We ended the season with a 5–5 district slate and a 5–13 overall record. Then we traveled to Bristol to play in the district tournaments defeating Grundy Thursday night, but bowing to Bristol Friday night.

"Desperate Ambrose," a three act farce, western style, was presented by the seniors on April 15.

Spring was filled with baseball games and track meets. As it happens every year it seemed that everyone had a slight touch of "Spring Fever."

On April 30 the juniors presented the seniors with a lovely prom.

We were off, May 10, for a tour of Virginia and Washington.

A tired but jovial class returned to school the following week to buckle down for the final lap of high school days.

The biggest night of our lives came on June 9, as we realized with solemn pride that we had finally completed a twelve-year task.

We leave the hallowed halls with high hopes and a deep sense of thanks to friends and teachers who have helped us in our accomplishment. We leave, but our spirits will forever remain here, where we spent the sweetest days of life.

SMYTH COUNTY COMMUNITY HOSPITAL

The new Smyth County Community Hospital will cost approximately $1,941,650. Through the efforts of the citizens of Marion, Smyth County, and the immediate vicinity, pledges totaling $955,000 have been made, while the Hill-Burton Funds have allotted $1,029,289.

With well-trained personnel and up-to-date equipment, the hospital will be fully prepared to serve its patients in the best possible way.

Construction began in March, 1965, and, tentatively, Smyth County Community Hospital will be completed on November 15, 1966.

In 1882 Edison had a great idea - - and it wasn't the electric light!

The whole idea of investor-ownership of electric light and power companies began when Thomas A. Edison and a group of investors financed his first power plant more than 80 years ago.

Since then, investor-owned companies like ours have become an integral part of America's Free Enterprise system. That explains why today we have at our fingertips more electric power than any other country in the world.

And it's this same Free Enterprise system that puts at *your* fingertips greater opportunity, greater expectation for success than can be hoped for by any other young people in the world.
